Meet Marlin Reeves, Vice President New River Valley and Roanoke Markets

October 14, 2020 (Roanoke, VA)— Marlin Reeves was hired in July 2019 as the Vice President of the Christiansburg branch and after one year at Freedom First, Marlin was promoted to Vice President New River Valley and Roanoke Markets. In his new role, Marlin works alongside of Tabatha Quesenberry and Matt Graybill, managing and overseeing our New River Valley and Roanoke branches.

What Marlin enjoys most about his job is the opportunity to be able to make a direct impact on member’s lives daily. Marlin says, **“What I love most about working for Freedom First is knowing that we put our members before profits and truly care about their financial health and well-being”**. He feels very fortunate to be able to work alongside of some amazing people and to work for company that measures its value by how much it gives back.

Marlin and his wife have four children, and are avid Virginia Tech fans. If you visit Marlin at the Christiansburg branch, you will see how much he loves Virginia Tech.
